### For a relaxed start to the day

You can of course enjoy the full extent of our popular Stanglwirt breakfast buffet as usual between 7.00 a.m. and 11.00 a.m.

### In the comfort of your room

We would like to recommend our **room service**, which is on hand every day until 10.00 p.m. to pamper you with fresh meals.

Should you also want to enjoy your **breakfast** in your room, we have prepared a form for you with select which you get as part of the nightly turndown service, and we ask that you complete this according to your requirements on the **previous evening** and hang it outside your room door.

In all our dining facilities, the **drink and food menus** are now also available **in digital format**. All you need is an app, which you can use to scan printed or engraved **QR codes**, whereupon all the information will be conveniently displayed on your smartphone. The app is not necessary for iOS devices, as you can simply use your camera.

From now on, your **bill** can be written to your total account securely and conveniently **with your room card**, so we ask that you take good care of your room card and do not swap it or lose it.

To enable you to make your own checks and for security, you are kindly requested to **sign all receipts** during your stay.

Our F&B Team goes to a lot of trouble to create a wonderful and stylish ambience where you can enjoy a memorable culinary experience. Please show your appreciation by coming to dinner wearing **smart casual dress** and not wearing, for example, shorts, trainers or sportswear. We particularly request that you do not enter the hotel restaurant or the "Auf der Tenne" hotel bar in swimwear and/or your bathrobe either during the day or in the evening.

## **Being "at home" at the Stanglwirt**

### A clean guest room

The cleaning concept Hollu has devised for us involves increasing the number of cleaning and disinfecting intervals to ensure that we look after our guests and staff.

### Turndown service

You are welcome to choose whether or not to take advantage of our daily turndown service in your room. If, for the time being, you would rather our room maids did not come to freshen your room in the evening, please let us know as soon as you check in, or during your stay.

Our rooms include the following fittings as standard: a flatscreen TV complete with IP system, telephone, wi-fi, minibar, safe, etc. We also provide high-quality towelling products for you to use during your stay.
